Below floor standards in 2016?

No

To be above the floor, the school needs to meet either the attainment or all of the progress element.

School coasting in 2016?

No

The 'coasting' definition covers school performance over 3 years. A school is identified as coasting if:

- in 2014 and 2015, fewer than 85% of pupils achieved level 4 in reading, writing and mathematics and below the median percentage of pupils made expected progress in all of reading, writing and mathematics, and
- in 2016, fewer than 85% of children achieved the new expected standard and average progress made by pupils in reading or writing or mathematics was below the level set against the new primary progress measures (shown in pink above).
