

If I Were Prime Minister...

If I were prime minister, I would ban discrimination,

and every Friday everyone has to clean up in preparation for the new week. I will try and deal with global warming. I would start a big charity, to donate to poor countries and also give a free, foods, homes, to poor people.

My laws are:

- Don't discriminate
- Don't steal, or murder
- Follow your dreams and careers.
- Always ask for help if you need it.
- Don't judge a book by its cover.
