19th March 2020

Dear Parents/Carers,

Following the Government's announcement yesterday regarding the closure of schools in England, we can confirm that the school will close to the majority of pupils at 3.30pm on Friday 20th March 2020 for the foreseeable future.

We will remain open from Monday 23rd March 2020 for our vulnerable pupils including those with an Education Health Care Plan and for those pupils whose parents are key workers. These children should only come into school if they are fit and well. If you have any concerns about your child's health, please see the school website for further advice and information on what symptoms you should be aware of. Breakfast club will continue, however school will close at 3.30pm. If you are unsure whether your child falls into one of these categories, please contact the school for advice. Children who do not fall into these groups should remain at home with appropriate care.

The Local Authority has advised us that they are working on a plan to provide a lunch for pupils who are currently in receipt of Free School Meals and when we have more information on this, we will put it on the school's website. In the meantime, if you are worried about providing food for your child(ren) during the school closure, please contact the school office.

Please use the school website to support your child with learning at home and if you are able to, make use of the online learning platforms available. Home Learning Packs will be sent home with children tomorrow. If your child is not in school, these packs will be available on the website from tomorrow.

If you have questions about any of the issues raised in this letter, please call the school office or email me at: info@hallsville.newham.sch.uk.

Yours faithfully,

Hannah Cleland

Hannah Cleland
Head of Finance and Operations
