

Update - 9/6/2020

Great news- Hallsville teachers are teaching online!

Starting from **15th June** Hallsville Teachers will be back teaching like never before.

Google classrooms will now have as a minimum a daily pre- recorded lesson of a Hallsville teacher teaching a lesson as well as a pre-recorded love of reading session. We also plan moving forward to start some '**live google meets**' so the children and teacher can meet and engage as they would in a normal classroom.

These live google meet sessions will be recorded live (but will not be shared publicly) for safeguarding reasons. By allowing your child to partake in these google meets you are agreeing to these conditions. Please see attached the code of conduct.

If you are still having issues signing in your children to google classroom please contact the school office or Hannah Cleland on 07891181367.

If your child is a key worker/ vulnerable child, Nursery, Reception, Y1 or Year 6 they are invited back to school. The school has passed the Covid -19 NEU Health and Safety standard checks. The children that are in school are happy and well and enjoying reconnecting with their teachers and friends in their new safe school environment.

Currently if you child is in Y2, Y3, Y4 and Y5 they will continue to learn from home using google classrooms but now with the addition of Hallsville teachers delivering lessons.

Moving forward, if the uptake in the selected year groups does not fill the available spaces I will widen the offer to pupils in the other year groups. I will be in touch shortly.

I want to thank you for your ongoing support during these difficult times. We are here to serve our community and want to help how we can.

Please do not hesitate to get in touch. A member of staff is in the office every day and will be able to sign post you to the right staff member.

Kind regards,

Keri Edge, Lorraine Johnson, Kelly Jones and Hannah Cleland.
