Testimony from a Parent at one of our Wraparound Care sites:

Premier Education offer an outstanding wraparound service at George Carey Church of England Primary School which, as a working mum, I find invaluable. Booking online is easy and flexible and there's always someone available at the end of a phone if I ever have any queries. The staff onsite are fantastic and make it their business to get to know all of the children really well. They're friendly, attentive and always happy to help - nothing is ever too much trouble.

There's a wide variety of clubs to choose from, making it impossible for the children to get bored. My daughter has made lots of friends in her after-school clubs and comes away each day with a smile on her face and lots of stories to tell me about all of the fun she's had. It's always obvious that she's had a great time and I have peace of mind knowing that she's been in safe hands. I would highly recommend Premier Education to any parent / carer looking for wraparound care.

Parents can relax knowing their children are in safe hands, as all staff have experience of working with primary school children, have been DBS checked, and hold Safeguarding certificates and at least half the staff have Paediatric First Aid training.

Healthy meals are provided for children attending until 6pm. Each day children will able to choose from two options on a rotating three-week menu, ranging from cheesy peasy pasta to chicken pie. Specific dietary requirements are also catered for.

Premier are prepared for the Autumn term to look different this year. We have planned social distanced activities to ensure the children's enjoyment while keeping safe. Activities include Multi-Sports, Performing Arts and Life Skills Games as well as continuous access to toys and board games. In order to provide the very best care relating to Health and Safety, Premier staff have completed the qualification Transcend Level 2 Award in Infection Prevention, Mitigation and Management.
