Testimony from a Parent at one of our Wraparound Care sites:

Premier Education offer an outstanding wraparound service at George Carey Church of England Primary School which, as a working mum, I find invaluable. Booking online is easy and flexible and there's always someone available at the end of a phone if I ever have any queries. The staff onsite are fantastic and make it their business to get to know all of the children really well. They're friendly, attentive and always happy to help - nothing is ever too much trouble.

There's a wide variety of clubs to choose from, making it impossible for the children to get bored. My daughter has made lots of friends in her clubs and comes away each day with a smile on her face and lots of stories to tell me about all of the fun she's had. It's always obvious that she's had a great time and I have peace of mind knowing that she's been in safe hands. I would highly recommend Premier Education to any parent / carer looking for wraparound care.
